Pink Lotion Hand Soap

CLASSIFICATION:

- Hand soap

PACKAGING:

Jug	Pail	Drum
4L	*20L*	*210L*

DESCRIPTION:

- **Pink Lotion Hand Soap** is an opacified pink lotion soap for heavy grease and soil cutting.
- **Pink Lotion Hand Soap** produces a rich lather with a luxurious feel on the hands.
- **Pink Lotion Hand Soap** flows readily from most dispensers. It will not drip from dispensers requiring higher viscosities.

CHEMICAL AND PHYSICAL PROPERTIES:

- Appearance — Opaque pink liquid
- Odour — Mild fruity
- pH, Concentrate — 7.5-9.5
- Specific Gravity — 1.02
- Viscosity — 1000-2000 cps

USE DIRECTIONS:

- Wet hands with water. Apply approximately 2 mL of **Pink Lotion Hand Soap** to hands. Rub vigorously to lather, rinse and dry.

See Material Safety Data Sheet for proper handling and safety instructions.
