

Foamy Vehicle Wash

CLASSIFICATION:

- Exterior manual vehicle wash

PACKAGING:

Jug	Pail	Drum
4L	20L	210L

DESCRIPTION:

- **Foamy Vehicle Wash** is a highly concentrated (up to 1:100 dilution) exterior car wash detergent.
- **Foamy Vehicle Wash** emulsifies road soils, and produces a dense foam which suspends the soil until rinsed away.
- **Foamy Vehicle Wash** leaves a clean, streak-free surface.

CHEMICAL AND PHYSICAL PROPERTIES:

- | | |
|--------------------|------------------|
| • Appearance | Clear red liquid |
| • Odour | Cherry |
| • pH, Concentrate | 7.5 – 9.5 |
| • Specific Gravity | 1.03 |
| • Viscosity | 1000 – 2000 cps |
