

Power Lemon

CLASSIFICATION:

- Neutral cleaner (High Concentrate)

PACKAGING:

Jug	Pail	Drum
4L	20L	210L

DESCRIPTION:

- **Power Lemon** is a highly concentrated, commercially neutral cleaner, safe for use on any water-washable surface. It will not dull any surface, leaving a streak-free appearance.
- **Power Lemon** is ideal for use as a floor cleaner, including floors coated with a finish. It may also be used on countertops and other surfaces requiring a streak-free, light duty cleaning.
- **Power Lemon** is low foaming, and can be used in autoscrubber as well as mop and bucket as applications.

CHEMICAL AND PHYSICAL PROPERTIES:

- Appearance: Clear fluorescent yellow liquid
- Odour: Lemon
- pH, Concentrate: 8.5-9.5
- pH, 1:80: 8-9
- Specific Gravity: 1.01
- Viscosity: 30-50 cps

USE DIRECTIONS:

- Dilution: Prepare use solutions of **Power Lemon** in cold water.

Application	Dilution	mL/L
Light Duty Mopping	1:80	13
Heavy Duty Mopping	1:40	25
Light Duty Autoscrubbing	1:120	8
Heavy Duty Autoscrubbing	1:60	17

- **Routine floor cleaning:** **Power Lemon** may be used with a mop and bucket in a damp or wet mopping operation. **Power Lemon** may also be used in an autoscrubber equipped with a red floor pad.
- **Floor finish scrub and recoat:** Use **Power Lemon** at the heavy concentrations listed above. Scrub with an autoscrubber or a low speed scrubber and blue pad.
- **Multi-surface cleaning:** Apply to surface from spray bottle or bucket. Wipe.

See Material Safety Data Sheet for proper handling and safety instructions.
