
Power Wash

CLASSIFICATION:

- Vehicle coin wash / pressure wash detergent

PACKAGING:

| Jug | Pail | Drum |
|-----|------|------|
| 4L | 20L | 210L |

DESCRIPTION:

- **Power Wash** is a heavy duty cleaner for vehicle coin wash applications.
- **Power Wash** quickly penetrates and removes road film, grease and oil from stainless steel, aluminum and painted surfaces such as cars, trucks, buses, RV's, trailers, tractors, etc.
- **Power Wash** is also an excellent choice as a general purpose cleaner for use in power wash applications on asphalt or concrete floors.
- **Power Wash** leaves a clean, streak-free surface.

CHEMICAL AND PHYSICAL PROPERTIES:

- Appearance Clear red liquid
- Odour Mild solvent
- pH, Concentrate 11.5 – 12.5
- Specific Gravity 1.02
- Viscosity Less than 20 cps

USE DIRECTIONS:

- For general purpose cleaning, dilute 1:150 with cold water. For heavy soil loads, adjust the metering tip or valve accordingly.
- Apply to surface. Sponge, brush or scrub as necessary to remove heavy soil.
- Rinse with clear water. If cleaning a vertical surface, work from the top to the bottom.

See Material Safety Data Sheet for proper handling and safety instructions.
