
Unscented Clear Hand Soap

CLASSIFICATION:

- Hand soap

PACKAGING:

Jug	Pail	Drum
4L	20L	210L

DESCRIPTION:

- **Unscented Clear Hand Soap** is an unscented clear lotion soap for heavy grease and soil cutting.
- **Unscented Clear Hand Soap** produces a rich lather with a luxurious feel on the hands.
- **Unscented Clear Hand Soap** flows readily from most dispensers. It will not drip from dispensers requiring higher viscosities.
- **Unscented Clear Hand Soap** is ideal for settings such as hospitals, government buildings or other environments where fragrance is or can be an issue

CHEMICAL AND PHYSICAL PROPERTIES:

- Appearance Clear liquid
- Odour Unscented
- pH, Concentrate 7.5-9.5
- Specific Gravity 1.02
- Viscosity 1000-2000 cps

USE DIRECTIONS:

- Wet hands with water. Apply approximately 2 mL of **Unscented Clear Hand Soap** to hands. Rub vigorously to lather, rinse and dry.

See Material Safety Data Sheet for proper handling and safety instructions.
